

BJ HomeSat Registration Benefits

- A packet of materials, prepared by the teacher of the course, to help the subscriber
- The opportunity for free* makeup lessons for any programming lost due to failure of equipment under warranty or mistakes at the uplink
- The right to purchase makeup lessons at \$14.95 plus tax per block feed for any programming lost because the subscriber fails to record
- The right to e-mail course-related questions to hsatinfo@bjupress.com.

Support Period for the Benefits

School year support goes through June 30. Summer school support goes through June 30 of the following year.

Subscriber should register for the school year during which they will be recording.

Registration packets are subject to availability.

*No free makeup lessons until after successful installation or first 30 days from invoice.
