Lessons from Chapter 14 are included in each chapter as “Writing Links” in the Teacher’s Edition. Teach these mini-lessons whenever they will be most beneficial to your students.

Chapters 15–16 are reference chapters. Teach material from these chapters throughout the semester whenever it is appropriate for your students.

\*The topics in italics refer to writing lessons and assignments within the chapter.

†“History of the English Language,” “The Word Revealed,” and “Think About It” are supplemental sections that may be taught whenever time permits.

‡If necessary, adjust the schedule to teach Chapter 11 (Capitalization) and Chapters 12–13 (Punctuation) before your students take any standardized achievement tests.
