

NEW

# Bible 6

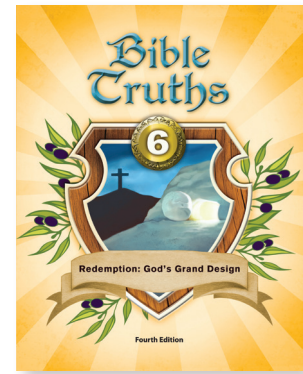

COMPARISON CHART

## Updates

*Basics for a Biblical Worldview* replaces *Bible Truths 6: Redemption: God's Grand Design* (4th edition) for the 2021 school year. This addition to the elementary product line has an entirely new scope and sequence. The materials between the two editions will not be compatible.

1st Edition

4th Edition

## Basic Features

Student Edition Page Numbers	416	350
Chapters	8	10
Course Focus	Worldview development	Bible study skills

## Scope & Sequence Updates

- The scope and sequence changed from focusing on a chronological and thematic study of redemption in the Bible to an introduction of the concept of worldview and metacognitive skills.
- Uses the Bible to answer worldview questions.
- Encourages students to evaluate non-biblical worldviews in light of the Scripture.
- Helps students understand their identity in God's big story.

## Student Edition

- Helps to meet the needs of middle-school students.
- Equips students to read, interpret, and apply the Word of God to their lives
- Models and guides students in using Bible study skills
- Introduces basic Bible doctrines
- Encourages students' belief and confidence in the authority of Scripture

## Teacher Edition

- Guides teachers into meaningful lectures and discussions about current issues that Christians will need to face and respond to.

## Pedagogical Techniques

- Case studies—looking at real-world people or events to evaluate based on learned information
- Worldview dilemmas—real-world questions sixth graders may encounter and how to answer those biblically
- Visual analysis—analyzing images that visualize certain biblical worldview concepts
- Worldview quests—research projects that help students dig deeper into particular worldview ideas
- Worldview journal—a writing journal for students to evaluate their own thinking based on their study of biblical worldview
