

Used in conjunction with the BJU Press Life Science Lab Manual, The Logos Science Life Science Addendum and Lab Kit contains information, equipment, and supplies your student needs to fully experience the awe-inspiring, interactive world of life sciences as mapped out in the BJU Press Life Science Lab Manual. Logos has completely tuned the Life Science Addendum and Laboratory Kit with the BJU Press Life Science Lab Manual to: 1) eliminate the need for high cost equipment, 2) maximize safety in a non-traditional laboratory setting, 3) maximize the advantages of non-traditional learning situations (e.g. home school and small class settings), and to 4) maximize each student's adoration of our Creator by witnessing manifold living systems within His marvelous works.

Contents
