

A Logos Science Lab Kit for use with BJU Press Science 2 (5th Ed.)

Used in conjunction with the BJU Press Science 2 Lab Manual, The Logos Science Science 2 Addendum and Lab Kit contains information, equipment, and supplies your student needs to fully experience the awe-inspiring, interactive world of the physical sciences as mapped out in the Science 2 Lab Manual. Logos has completely tuned the Science 2 Addendum and Laboratory Kit with the BJU Press Science 2 Lab Manual to: 1) eliminate the need for high cost equipment, 2) maximize safety for non-traditional laboratory settings, 3) maximize the advantages of non-traditional learning environments (e.g. home school and small class settings), and to 4) maximize each student's exaltation of our Creator by the witnessing of strikingly reproducible interactions between various physical components of His marvelous works.

Contents

Items in parenthesis indicate quantity.
