Grades 7–12 Math Textbook Videos

In light of school closures and schedule changes because of COVID-19, BJU Press is providing free access to lesson videos for the remainder of the semester through TeacherToolsOnline.

Teachers can send their students a link to the appropriate lessons. These videos were created as part of the Christian Classroom Online program. Each video correlates with the lessons and objectives in the corresponding BJU Press textbook. You may find references to other material since they are a part of a video course, but the lessons will be an invaluable resource for you and your students!

You can navigate to the textbook videos without a login on TeacherToolsOnline.
