

Grade 5 – Library Chapter 7

TE pp. 144-145

Changes to be made:

Objectives:

- #1 Determine when to search by author, title, and subject or keyword in an electronic catalog.

Teach for Understanding

B.

2. Direct attention to Worktext page 119. Choose a volunteer to read aloud the information about electronic catalogs.

- **What are three ways you may search using an electronic catalog? (by title, author, or subject or keyword)**
